Prize to recognize Miskolc Geothermal Ltd's operations

Miskolc Geothermal Ltd received the "BOKIK's Eminent Business Association" Prize at the ceremonial assembly of delegates for the Chamber of Commerce and Industry of Borsod-Abaúj-Zemplén County (BOKIK).

In the past year, PannErgy Plc's subsidiary, Miskolc Geothermal Ltd has had a significant contribution to the economic growth of Borsod-Abaúj-Zemplén County. The activities of the PannErgy subsidiary with their positive effects on the region have been acknowledged by the Chamber of Commerce and Industry of Borsod-Abaúj-Zemplén County in the category of "BOKIK's Eminent Business Association".

This recognition can be delivered to companies that show excellent economic performance also esteemed by the market, are dominant employers in the county, and whose operations contribute to the work of the Chamber and the improvement of the situation of environmental protection in the county. Additionally, such entities are expected to use novel, environmentally friendly technologies in their activities, implement developments as far as innovation is concerned, and demonstrate exemplary CSR activities.

The "BOKIK's Eminent Business Association" Prize is a worthy reward to PannErgy Plc's subsidiary, Miskolc Geothermal Ltd. We are proud of the fact that with the fail-safe operation of the Geothermal Project of Miskolc implemented in the area, our achievements in the field of the utilization of geothermal energy our Company has had the opportunity to contribute to the growth of this region – said Péter Tóth, Chief Executive Officer, member of PannErgy Plc's Board of Directors"
