EXTRAORDINARY ANNOUNCEMENT

pursuant to the Capital Market Act and Decree No: 24/2008. (VIII.15.) of the Minister of Finance.

ENEFI Vagyonkezelő Nyrt. ("Company") hereby informs its Honourable Investors that in the lawsuit against the previous decision (H-PJ-III-B-3/2017.) of MNB in the subject of influencing the market and insider trading, the Curia held hearings today in the subject of the application for revision against the decision of the Metropolitan Court of Justice filed by the parties involved,.

The Curia repeatedly (for the third time now) annulled the decision of the Metropolitan Court of Justice also instructing the Court to conduct new proceedings.

According to the viewpoint of the parties involved, based on the foregoing, it should be clear for the Metropolitan Court of Justice that it shall make a proper, meaningful decision in the case instead of instructing the authority to conduct new proceedings in the lawsuit continued for seven years now.

Taking the latest decision of the Metropolitan Court of Justice into account (which qualified the decision unsuitable to support the condemnation, and therefore instructed the authority to conduct new proceedings), the parties involved trust that the case shall be closed quickly in favour of them in the repeated court proceedings.
