

ANY founded a subsidiary in the United States

8th of March 2024 – Superior ANY Global LLC is a subsidiary of ANY Security Printing Public Limited Company based in Budapest, Hungary, and Superior Packaging & Finishing headquartered in Braintree, Massachusetts, United States. ANY holds 51 percent while Superior holds 49 percent ownership.

ANY's American partner is the most technologically advanced player in the digital printing, personalisation, and packaging technology for pharmaceuticals and other products in the American market. The primary objective of the new company is to be an innovative player in the security printing sector on the American continent.

"Central among the new company's goals is the printed and digital technology for identification, tracking alcohol-containing beverages, tobacco products, pharmaceuticals, and verifying origin and tax payment for certain products." - emphasised Donny Charlebois, CEO and owner of Superior.
