

Results of Equities classification review

BSE Release - Budapest, March 25, 2024

The Budapest Stock Exchange Plc. (hereinafter referred to as 'Exchange'), in accordance with the relevant sections of the Book Two of the General Terms of Service of the Budapest Stock Exchange Plc. titled Regulations on Listing and Continued Trading (hereinafter referred to as 'Regulations'), **has reviewed the share series listed on the Equities Prime Market.**

The Exchange performed the review according to the principles set in the Regulations, on the basis of the average capitalization **between September 1, 2023 and February 29, 2024** and free float figures on the last Exchange Day of the review period.

If a particular series of securities is listed in the relevant, **Equities Prime Market**, for less than 2 years and fails to fulfil the terms hereof during two consecutive review cycles, or a particular series of securities is listed in the relevant, **Equities Prime Market**, for more than 2 years and fails to fulfil the terms hereof during three consecutive review cycles, the Exchange will automatically reclassify the series into Equities Standard Market of which conditions the given equities series in compliance with and will at the same time make arrangements to set the date when reclassification takes effect.

Notwithstanding the provisions above, series of securities that were listed in the Equities Prime Market on 2 May 2022, may be reclassified into Standard Equities Market at the earliest during the review due in March 2026 for the reason of not complying with the condition of 25% free float specified in point 6.3.2.1 of the Regulations on Listing and Continued Trading in the above prescribed consecutive review cycle.

As a results of the revision, there is no change in the classification of issuers at the Exchange.

The results of the review of the Equities Prime are as follows:
